

THE ESSENCE OF EXCLUSIVITY

Luxury living,

elevated.

Think of all the fine things in life — wine, cigars, watches. What makes them so exclusive? They're all crafted painstakingly, by hand, in small batches. Edition is an extension of this ethos. Homes so rare, so exquisite, that only a handful exist. Exclusive, limited edition homes that bring to life the concept of elevated luxury, for those who have a penchant for the finer things in life.

A sanctuary, an oasis, a blank canvas — each home at Edition is what you want it to be. It's a place to entertain, a receptacle for unforgettable memories, a sanctum that melts away the stresses of the day; a home that transforms itself to your discerning tastes. It's what everyone vies for, but only a select few can have.

Located in Gachibowli, with seamless connectivity to the Outer Ring Road, Edition offers residents sprawling 4BHK duplexes that champion exclusivity. Each unit — spanning an impressive 7,850 sq. ft. — promises you an abode that breaks away from the conventional, boxy structure of an apartment, and instead offers you boundless room, both horizontally and vertically.

Edition is a single tower that stands tall at 123m, elegantly overlooking Hyderabad's IT corridor. It makes good on its promise of ultimate exclusivity, with only 31 apartments for the taking, and 2 floors reserved for enriching lifestyle amenities.

With 1 apartment on each floor, Edition bestows you with the best of both worlds—the luxury of a private oasis with all the benefits of community living. Replete with double-height balconies, a lush, landscaped private terrace and majestic bay windows, the only neighbours you'll have are nature, and spectacular views of the city, of course.

A bird's eye view of Edition

At Edition, beauty lies in the little things. We have paid great attention to the layout, creating pockets of peace at every opportunity to take mundane living to luxurious heights.

Where privacy is paramount

Your privacy isn't an after-thought. It's the principle that has guided all our decisions. Each apartment comes with its own, exclusive lobby entrance and a private elevator. The entrance to the staff quarters has been separated as well, ensuring that your peace is preserved.

A treat for your eyes and the senses

Each home is accompanied by enormous sit-outs that are a fitting extension of the spacious rooms. Double-height terraces with bay windows let in swathes of sunlight and a gentle breeze, while a personal, landscaped mini-garden in your balcony further reinforces your privacy.
